The Denny Community Learning Center aims to position Denny Middle School as the focal point of the community at which a rich array of community-driven learning resources for students, families and the broader community can be found. By creating an environment of lifelong learners, the Denny Learning Center strives to reinforce and recognize the critical role family and community have, not only in the academic success of the children but in their total development as well.

Community Learning Center Evening Programs

Along with after school activities, the Denny Community Learning Center offers free programs aimed at adults and families. Session two evening programs will begin on January 7, 2004 and end June 11, 2004. All evening programs will begin at 5:00 pm and end at 7:00 pm. Descriptions of each program are listed on the back of this flyer. High school and adult volunteers are always welcomed.

Evening Program Descriptions

To register for Denny Community Learning Center evening programs, please call (206) 252-8987 or send an email including your name, complete address and phone number with area code to ronald.davis@seattle.gov

Martial Arts: Instructor Daisy LaPoint holds 3 Black Belts in the disciplines of Kung Fu and Escrima Doce Pares. Kung Fu is a form of various Chinese martial arts, especially those forms in which sharp blows and kicks are applied to pressure points on the body of an opponent. Escrima Doce Pares is a traditional stick fighting martial arts form of the Phillipines. Martial Arts will meet Mondays beginning February 2, 2004.

Clogging: Learn to Clog Dance! Great Fun! Great Exercise! Clogging, an American Folk Dance, which got its start in the Appellation Mountains, is a melting pot of Scottish Highland Dance, Irish Step Dance and German March. Clog, the Gaelic word for time, keeps the beat of the music with the heel. (No, we don't wear wooden shoes!) Music varies from traditional bluegrass to modern top-40. Come check it out! Every Wednesday, 5-6 PM for Beginner/Basic level; 6-7 PM for Easy Intermediate/Intermediate beginning January 7, 2004. Registration form required.

Girl Scouts: The Studio 2B girls club, sponsored by Girl Scouts-Totem Council, will meet Thursdays beginning January 8, 2004. The program will focus on time management, handling stress, speaking up for oneself, building leadership skills, staying safe and healthy, and preparing for career choices. Participants will also receive basic activity insurance, monthly mailings, and Girl Scout membership, enabling girls to participate in additional Council programming beyond the Denny evening program. Registration form required.

Family Movie Night: Come enjoy your favorite family movies with family and friends. Movies will be shown weekly every Friday beginning January 9, 2004 in the cafetorium. Popcorn and light refreshments will be served.
